Brazil's Marco Civil Law established a framework for internet users' rights, but other legal provisions – such as criminal defamation laws and those restricting certain speech during elections – contribute to a legal environment where individuals can face prosecutions for what they write online. It also presents a real prospect of improving a severely overloaded justice . KingdonJ. Unlike the judicial systems of many of its neighbors in South America, the appointment process has enabled the Brazilian Supreme Court to retain ideological stability throughout the past couple of decades, enforcing checks and balances instead of being subjected to changes in the political winds depending on which party is in power. The article of the Brazilian Constitution, for example, established that Brazil's Federal Government, States and Municipalities were in charge of stimulating eugenic education in the terms of their related laws, among other things Thisdefenseofthelanguage,nationalhistory,anddominanttracesofthena aim of this study was to estimate the mammography coverage in women years of age, as well as to describe the distribution of women, mammogram production and the proportion of tests performed, by age group, in breast cancer screening via the SUS in Brazil, by region and by state, in
