Despite recent awareness that girls are not too fragile to play sports and that boys can benefit from learning to cook, we still find ourselves surrounded by limited gender expectations and persistent gender inequalities. As any new parent knows, there is an abundance of often-conflicting advice hurled at you from doctors, family, friends, and strangers on the internet. Andersonfortheseason. Thorough chapters are devoted to nutrition, weight gain, food safety, the postpartum diet, and how to eat when trying to conceive. Overcopies in print! Having started with book 4 first, and then reading this, I can say that you can get away with reading them out of order.
