The politics are a bit dated. Vince Flynn is another example. An interesting take on the possibly negative consequences of the singularity. The below is the result. He will seek answers, question the unquestionable, and attempt to tear down the walls of hatred that have isolated his planet of anarchists from the rest of the civilized universe. With more than five million copies sold, Flowers for Algernon is the beloved, classic story of a mentally disabled man whose experimental quest for intelligence mirrors that of Algernon, an extraordinary lab mouse.

He has lived with Mother ever since leaving the hospital in the old house upon
I am arriving at this topic a bit late in the game, so my Top Ten list is a week later than everyone else participating in this meme, but I am still going to go ahead with it. Then the man said NO NO.
