I will say that many reviewers complain about the second half
of the book. There is a common assumption – shared, curiously
enough, by those who are struggling to eat healthily and many
of the nutritionists who are trying to get them to eat better
– that we are doomed by our biology to be hooked on junk food.
SellonAmazonStartaSellingAccount.Andwhenthatfails,youlie. But
in this case, there are NINE characters staying at the health
resort, with NINE different narratives, plus another 3 or 4
characters who run the resort, who are also weighing in with
their thoughts for the reader. View all 22 comments. Back to
