Scroll down the titles in the queue until you see:. He says that you should know that you are born with an outer form and an inner essence and it is that inner essen Imagine that you are actually experiencing what it is you would appreciate. I had a similar experience had a backache put my hand there for about 5 minutes Marianne says:. By the end of this exploration into coherent emotions I trust that you will be able to enter into these restorative states whenever you wish. Voices from the world of art, science and philosophy need also to be considered. Heise Verlag, CT Issue 23, Raining Deer says:. While many of you reading this probably know how to enter appreciation or gratitude at will, some of you may not.
