Proceed to Basket. The concept of frozenness has helped to shape recent lexicographic and phraseological research. Thenon-logicalaspectsstandinanintentionalantithesistotheologicalfu It offers a methodological basis that is valid for studies of identity in general. It interprets pre-Reformation plays and Protestant and Catholic dramas against the backdrop of contemporary cultures of piety and proposes a perspective on theater history that includes both theological ruptures and interreligious connections during the Reformation era. I propose to put this research para- digm and programme under the title Culture of Peace.
