On the contrary, Alain-Fournier has pulled off a tantalizing tour de force resembling the way in which Joseph Conrad's equally ambiguous main characters in *The Secret Sharer* revolve around each other like double stars, their respective energies flowing back and forth between each other through mutual gravitational attraction. Everything was calm.

The sharply-etched settings and scenes of the novel tend to impregnate the

For admirers of Alain-Fournier's unique combination of unsettling symbolism and vivid imagery, of exact autobiographical recollection and dreamy romanticism, it is as frustrating to speed by that obscure turn-off as it would be, *mutatis mutandis* consistently bypass Hannibal, Missouri.
