In addition the authors would like to express their appreciation to Anthony Segal, M. Whether you take professional pride in observing it unfold in a client, personal pride in feeling it unfold in yourself, or an admiring pride in seeing it take place in a loved one, you will be in a better position to fully appreciate the traumas and triumphs involved.

two opposites can attract, but will that attraction last? Since the ultimate goal of such work is rehabilitation of the total person, our courses were designed to give students 1 a firm grounding in theory and an overview of pertinent research, 2 a chance to explore and reassess their own attitudes toward disability and disabled persons, and 3 the opportunity to meet and interact with a variety of disabled persons, parents of disabled children, and practicing professionals.
