Today he is also remembered for writing the prose masterpiece of the Venetian Renaissance, the "History of the Council of Trent," which Wills calls the last great work of art inspired by the myth of imperial Venice. This is a beautifully conceived and written book about Venice, seen through her art. Certain Trumpets: The Nature of Leadership. Religion played a larger role in Venice. Its fragility was the paradoxical source of its stability over time. This action might not be possible to undo. Nobody interested in Venice could fail to be excited by reading Wills' book. It did not exist during the time of Jesus, when Mark wrote his gospel.
