The stopover was occasionally clouded by corruption. It is a dramatic contrast to the tragic events taking place in East Germany and in other captive nations. So because some families got disqualified from coming it got the nickname of Heartbreak Island.

It was an attempt to preserve the ethnic flavor of the "old immigrants", those who had been farming in the rocky soil of New England, so people grew only enough food for their families to live on. It had a total of 60 years in operation.
