Berndt, Rainer ed. Subject of the dissertation is protestant dissent in early 19th century England.

Amsterdamwirdam5.Dietz,JohannFriedrich. The Swiss-with the exception of a very few extremists-strongly favored maintaining political and cultural independence. On the one hand, this growth was the result of certain demographic changes; on the other, it reflected the availability of university-level education to a broader proportion of society. A perspective focused on experience rather than on manipulation poses a different set of questions.
