Just as in medicine it is generally morally praiseworthy to pursue health, those who do this professionally should also do it ethically – ergo the field of medical ethics. So, we send money to support the local theater group or orchestra, help some research effort to find a cure for some disease, further our children's and sometimes others' education, promote some idea by giving to a think tank.

So, wesendmoneytosupportthelocaltheatergroupororchestra,helpsomere Original Title. It only becomes measurable when a company's unethical practices are brought to light and millions or billions of dollars lost. But that is true of many other ways in which good things come about in human intercourse – for example, athletics, science, education and politics. Younkins,ed.InMr. Machan See All.
