Impact: This New World. Counseling Submitted by Radman on November 26, - am. Sustained eye contact. It was all learned from one program, I highly recommend! I'm a woman, and I find this post really offensive.

Men were happier than women regarding family life and more optimistic regarding... not hard to tell when you've found that person: that beaming look in their eyes, that smile--even a little one--when you walk in the door and kiss them on the cheek, or ruffle their hair, or even ask how their day went--and then really listen.
