Every Man's Fancy. In Kratie they have " open-air " hospitals : a shop without a front that opens onto the street and half a dozen beds inside where the sick all on drips and surrounded by their family, can recover for as long as they can afford. At the university the Internet is good - WiFi is only in the staff rooms and not in the student rooms. Abdullah Mo marked it as to-read Aug 19, Candy Factory. The moly was a fabulous herb said by Homer to have been given by Mercury to Ulysses. They speak Khmer - they have been living there for 30 years! Whatever thief shall trick my faith may he wither, far banish from the effeminate bum!
