In an exhilaratingly rich and deeply researched story, Paul Strathern reveals the paradoxes, self-doubts, and political compromises that made the battle for the soul of the Renaissance city one of the most complex and important moments in Western history. I loved it. More filters.

Also, there is certainly "death in Florence" but I expected to read a dramatic

In fact, the story features a terrible child abduction and murder case that is almost swept away by a natural disaster, the real-life Arno River flood that left Florence under several metres of water in some parts during the course of an evening in November As generous patrons to the likes of Botticelli Death in Florence Michelangelo, the ruling Medici embodied the progressive humanist spirit of the age, and in Lorenzo de' Medici Lorenzo the Magnificent they possessed a diplomat capable of guarding the Death in Florence weak city in a climate of constantly shifting allegiances between the major Italian powers.
